**Session 2: 1:00 pm - 4:00 pm**  
(For Players Entering Grades 8 & 9)

Presented by the  
WRHS Ice Hockey Program

# About the Clinic

The "Future Mountaineer Hockey Clinic" is back for its third year to offer young hockey players the opportunity to both improve their skills and enjoy themselves in the process. Headed by Wachusett Regional High School's Varsity hockey coach Matt Lane, our clinic focuses on developing all the skills necessary for a well-rounded, complete hockey player.

These skills include:

- Skating
- Shooting
- Passing
- Stick-handling
- Checking
- Conditioning

The clinic will also help the players to improve their "hockey awareness and intelligence" by working on special situations like breakouts, power plays, and penalty kills as well as stressing the importance of communication and teamwork.

The clinic has been broken up into two sessions in order to provide each player with more individual attention on the ice and give skaters the opportunity to compete and learn alongside players close to their own age.

At the "Future Mountaineer Hockey Clinic," players will work closely with Coach Lane, his staff, as well as former and current Wachusett hockey players to help them reach their fullest potentials.

*Note: This clinic is in no way affiliated with the Wachusett Regional School District. You do not have to live in the district or be planning to attend WRHS to attend this clinic.*

# Other Clinic Features

**Team Games/Scrimmages:**  
All skaters will be split into teams and will play on those teams for the entire week. Each day, the last hour of the camp will be devoted to games/scrimmages between the different teams. Standings will be kept throughout the clinic, culminating with playoffs and a championship at the end of the week.

**Skills Competitions:**  
Each day, during the two hour instruction period, time will be set aside for both team and individual skills competitions. These skills competitions include Breakaways (shooter and goalie competitions), Shot Accuracy, Relay Races, and others.

## Cost

\$275 per player

(\$500 for two players from the same family)

Please make checks payable to  
Future Mountaineer Hockey Clinic

## Note to Goalies:

The clinic is also open to goaltenders. Goalies will participate in all drills and there will also be a goalie coach on staff to work with them. Cost of tuition for goaltenders is \$100.
